## REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE SHAREHOLDERS OF GHAZANFAR BANK

### Introduction

We have reviewed the accompanying condensed interim statement of financial position of Ghazanfar Bank (the Bank) as at June 30, 2026 and the related condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for six months period then ended, and notes to the condensed interim financial information (here-in-after referred to the condensed interim financial information). Management is responsible for the preparation and fair presentation of this condensed interim financial information in accordance with the basis of preparation as stated in note 2 to the condensed interim financial information. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

### Scope of Review

We conducted our review in accordance with International Standards on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared in all material respects, in accordance with the requirements of Law of Banking in Afghanistan and international accounting standard 34 "Interim Financial Reporting".

### Emphasis of matter

We draw attention to the Note 6.1.2 of the condensed interim financial information, which describes the impact of regulatory directives and the uncertain economic environment on the Bank's financial position. In accordance with DABs instructions, notifying further deferral of the ACPR regulation as of 31 December 2025, and instructing the Banks to recognize 30% of the previously unrecorded provisions by 2026, the Bank total provision as of 30 June 2026, if ACPR was effective, would have been AFN 463.921mn. In accordance with the DAB circular, the Bank has recognized 14.41% of the deferred provision as of the reporting date, amounting to AFN 66.87mn, in compliance with the requirements outlined in the DAB circular. Our conclusion is not modified in respect of this matter.

### Other matter

The condensed interim financial information for the six months ended June 30, 2025 and the financial statements for the year ended December 31, 2025 were reviewed and audited, by another audit firm who expressed unmodified review conclusion on condensed interim financial information for the six months period ended June 30, 2025 on August 18, 2025 and unmodified audit opinion on the financial statements for the year ended December 31, 2025 on March 16, 2026.
